

NICOLAS PEREZ

Chicago, IL
850-628-4245
nicoperez01@gmail.com

OBJECTIVE

To join the Developer workforce as a whole and improve upon my skills beyond what I learned in university. I wish to test myself against new challenges and be able to see new puzzles.

EDUCATION

BS Computer Science | University of Florida
Minor Electrical Engineering

2020-2023

Graduated with Cum Laude honors. Notable courses taken include Data Structures, Software Engineering, AI Fundamentals, Computer and Information Security, and Human-Computer Interaction

IPPD Project | University of Florida & Raytheon

Pseudo-internship project on a real-world web application in use by Raytheon. I was in a team with 3 other people, working to implement upgrades to said system based on a design document.

COOP Careers Apprenticeship | Data Analyst

2024

Engaged in a 16-week apprenticeship program, acquiring expertise in data cleaning, transformation, analysis, and visualization using SQL, Python, and Tableau, alongside continuous professional development. Including client work with actual companies.

EXPERIENCE

Software Developer | Solutoria

July 2023 - Current

Variable work, including working on the company's various web applications they produce for other organizations ranging from updating them or analyzing them. Another part of the work is maintenance on the company's applications by answering and completing support tickets. Work is done within an Agile environment with small teams.

SKILLS

- Agile Development
 - Flexibility
 - Object Oriented Programming
 - Web App Development
 - SQL Development
 - Quick Learner
-

NON-WORK ACTIVITIES

Working on learning how to program games on Unity and Godot on my personal time. As well as making a personal website with a unique interface.
